Notice of Possible Fee Increase on October 1, 2002

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2002, then the amount due may be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there may be an increase in fees effective on October 1, 2002. See Revision of Patent and Trademark Fees for Fiscal Year 2003: Notice of Proposed Rulemaking, 67 Fed. Reg. 30634, 30636 (May 7, 2002). Although a change to the amount of the publication fee is not currently proposed for October 2002, if the issue fee or publication fee is to be paid on or after October 1, 2002, applicant should check the USPTO web site for the current fees before submitting the payment. The USPTO Internet address for the fee schedule is: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of any fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after October 1, 2002 (or mailed with a certificate of mailing on or after October 1, 2002), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

Information Disclosure Statement

1. The information disclosure statement filed fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because every cited reference C1-C11 lacked required dates on form 1449; while references C4 and C10-C11 contained text which due to copying and size of print were illegible and, references C2 and C5 did not have pages 65-69 provided. Provided pages for reference cited to Grossman (C2) did not include pages 65-69, but rather pages 3 and 25-33 were provided so it is unclear from record as to whether the Office has the correct pages for review or whether the form is in error. Provided pages for reference cited to Provost (C5) did not include pages 65-69, but pages 88-93 and 146-149 were provided so it is unclear from record as to whether the Office has the correct pages for review or whether the form is in error. It is noted that references C1, C3, C6-C9 were considered; however, due to cited discrepancies references C2, C4-C5 and C10-C11 were not considered. It has been placed in the file, but the information referred to therein has not been further considered. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 C(1).

Allowable Subject Matter

2. Claims 1-8 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record lacks suggesting/teaching tracking patron activity at a plurality of properties such that a database

is associated with each property, automatically collecting at each property in conjunction with the receiving and updating as particularly claimed for tracking and transferring/sharing patron activity for the plurality of properties. The prior reasons for allowance, mailed Mar 26, 2002 is incorporated herein and reasons for allowance, mailed Dec 12, 1997, in S/N 08653436 is incorporated herein; as well as, reasons for allowance, mailed Mar. 9, 2000, in S/N 09088423 is incorporated herein each only as to extent subject matter relates to patron activity tracking at a plurality of casino properties.
